CHEMICAL STARTER PACK

Every pool requires start up chemicals why not get an all in one starter pack. This will save you time and money.

- 1 x 2kg Pool Stabiliser
- 1 x 2kg Hardness Raiser
- 1 x 2kg Buffer
- 1 x 3kg Premium Dry acid
- 1 x 1L Water Clarifier

GLASS FOR MEDIA FILTER

Superior Glass
Filter Media

15Kg

- ▶ Glass media is a superior product and lasts about 2-3 times longer than sand filter media
- ▶ Sand will require longer backwashing to clean the dirt out of the system as there is more volume of media to go through
- ▶ Glass media will backwash quicker as the material is lighter and less dense, so it floats better, resulting in faster cleaning and less water loss
- ▶ Its environmental. Recycled glass media is produced from glass bottles that manufacturers don't want

15kg Bag RRP: \$ Your price \$

SWIM JET SYSTEMS

- ▶ Produces a high flow, high pressure jet of water to swim against! Maximise the value and enjoyment of your pool or swim spa

DAVEY HURRICANE TURBO PUMP AND SWIM JET SYSTEM

- ▶ High power pump (15 amp)
- ▶ Turbo swim jet
- ▶ Swim jet controlled by air switch on swim jet. No need to leave the pool to turn on or off
